## Insurance helps when you need it the most

Business trips abroad are always exciting, especially if they are at a dream destination. But, there are times when such dreams turn nightmares. **Rajesh Chikkon**, a seasoned travel industry executive **opted for an adventure sports add-on** with TrawellTag Cover•More, based on the itinerary of the trip.

During the last leg of his business trip to Australia, Chikkon met with an accident on a Segway ride. He had broken his femur and with the assistance of TrawellTag Cover•More, he was airlifted to a hospital for treatment with appropriate care and cashless treatment.
