## Secure your vacation

Eventualities can arise any time, without anyone expecting them. However, certain precautionary measures ensure that the impact of such events are not severe.

Shailendra Madan made a wise decision by securing his vacation to Dubai with a travel assistance and insurance. Madan began his vacation with an exciting desert safari and returned to his room looking forward to the activities planned for the next day. Later in the night, he woke up to sharp pain in his left shoulder and began to sweat profusely. He was rushed to the hospital where the doctors declared that he suffered a massive

heart attack and advised him to undergo a stent implant surgery immediately.

As soon as the Trawell-Tag Cover-More team was intimated about the situation, all arrangements to fulfil the formalities for hospitalisation were undertaken the same night and Madan was operated on an emergency basis. The family was constantly comforted and counselled by the assistance team on all the proceedings. Most importantly, they were relieved to receive cashless treatments owing to high medical costs in the country of visit. For recuperation, his stay had to be extended, which was also facilitated by TrawellTag Cover-More, thereby ensuring he returned back home safely.

“ I’m truly obliged for the expert support and efficient round-the-clock travel assistance provided by TrawellTag Cover-More during times of distress ”

– Shailendra Madan
