GTC India-Egypt Business Convention

Sewing Varied Business Sectors Together

Dev Karvat – Founder & CEO, India & Emerging Markets, TrawellTag Cover-More

Congratulations to the GTC on a successfully maiden Convention at Cairo. The congregation of distinguished delegates at the convention presented us with opportunity for enriching collaborations, resulting in rich value addition for our business. It also served as a platform to arrive at new solutions for challenges faced by the industry today. The participation of the film fraternity also enabled the travel trade to understand their travel needs, especially in today's times, when travelling has become an integral part of film-making.
