Help! When you need it the most...

■ **VW BUREAU**

Business trips abroad are always exciting, especially if it's a dream destination. But, there are times when such dreams turn nightmares, despite the best prepared plans... Mr. Rajesh Chikkon, a seasoned travel industry executive, well-acquainted with the importance of travel assistance & insurance, opted for an adventure sports add-on with TrawellTag Cover-More, based on the itinerary of the trip. During the last leg of his business trip to Australia, unfortunately, Mr. Chikkon met with a horrific accident on a Segway ride at one of the national parks. It was discovered that Mr. Chikkon had broken his femur. The trip coordinator informed TrawellTag Cover-More about Mr. Chikkon's incident and he was immediately airlifted to a reputed hospital for further treatment and surgery.

“
My adventure trip in Australia was cut short due to a Segway mishap, but TrawellTag Cover-More put me back on my feet, leaving no regrets of the tour.

RAJESH CHIKKON

With appropriate care and cashless treatment, Mr. Chikkon was discharged and was escorted back to India by his brother-in-law, whose visit was also facilitated by TrawellTag Cover-More. Mr. Chikkon's wise decision-making coupled with a holistic assistance and insurance plan stood by him through rough times... We don't want to just meet your expectations, we want to repeatedly exceed them!
