#### Read on to know how TrawellTag Cover-more’s travel assistance & insurance helped Mr. Lalit Kumar Dave in his time of distress

Lalit Kumar Dave travels to U.S.A every year to meet his daughter. Unfortunately, his last visit did not go as expected, as Mr. Dave had to be hospitalized due to excruciating back pain. Mr. Lalit Dave's daughter made sure that all the medical bills due were cleared as soon as he was discharged in order to avoid legal complications during his trip back to India.

He was expecting a reimbursement of the expenses of the treatment on submission of the required documents, but nothing

worked as planned. Things got worse when the hospital authorities refused to provide them the invoices for almost a year, which eventually led to closure of the claim. This defiance came into light when Mr. Lalit Dave's son-in-law, Mr. Jayant Mehta got in touch with TrawellTag Cover-More's claims assistance team. The team immediately swung into action and took care of the coordination with the US hospital authorities. After several discussions, Mr. Dave received the required documents and invoices and Team TrawellTag managed to

secure a considerable discount on the hospital bill.

Mr. Lalit Dave and his Son-in-law have hence decided that no matter where they intend to travel, TrawellTag Cover-More will always be their constant companion for all the future trips.
